10 AUGUST 2021 – The London and South East Prestige Awards 2020/21 Guide Is Now Out.

The London and South East Prestige Awards 2020/21 celebrates small and medium-sized enterprises consisting of localised businesses and sole traders that have thrived in their highly competitive community and have proven their success.

Over the past year 4,374 nominations were received by the awards team at Prestige Awards by industry experts, readers, and satisfied customers.

Winners were chosen on their marketing and branding, business growth methods, customer experience, and approach to new ideas.

Awards Judge, Andrew White, commented: “All winners demonstrated a strong presence in showing motivation and drive within their industry. We are keen to see how they will continue to succeed in the future”.

Unsurprisingly, these past 18 months have been challenging from a mental health perspective, so in this edition Prestige Awards have put together a useful guide on coping with stress, as well as top tips on how to reintegrate with society for those feeling anxious about socialising post-lockdown.

Finally, it has been heart-warming to see local and independent businesses rally together in a tremendous show of community spirit. These businesses and individuals have been celebrated in the awards section.
